

MEASUREMENT SYSTEMS, INC. GENERAL TERMS AND CONDITIONS OF SALE

1. AGREEMENT: Any of the terms and provisions of Buyer's order which are inconsistent with the terms and provisions hereof shall not be binding on MSI and shall not be considered applicable to the sale of the products mentioned herein. Unless Buyer notifies MSI in writing to the contrary within ten (10) days after receipt of this form, acceptance by Buyer of these terms and conditions shall be inferred and, the shipment by MSI of the products covered hereby shall be deemed to be subject to the terms and conditions hereof. No modification hereof shall be valid unless expressly accepted in writing by an authorized representative of the MSI.

2. PRICES: Prices in the order are fixed and include the cost of commercial packaging. The prices are based on the corresponding and relative MSI quote that must be referenced on any order. Unless otherwise specified on the order, prices are for the specific quantity stated and do not include taxes or charges for transportation, engineering documentation, special packaging, marking or testing.

3. MINIMUM ORDER: Unless otherwise specified, a minimum value of one thousand (\$1,000) dollars will be required for MSI to process an order. A minimum value of five hundred (\$500) dollars will be required for MSI to process a repair order.

4. QUANTITY DISCOUNTS: When quantity price discounts are quoted, they are computed separately for each type of product or equipment, and are based on the quantity of each type ordered at any one time for immediate delivery. If any order is reduced or canceled, it is agreed that prices will be adjusted upward to the higher prices, if applicable, for the uncanceled quantity. Cancellation of any orders can be made only with MSI's written consent thereto and upon such terms as will satisfy all costs incurred by MSI and its proportionate profit on work completed.

5. ORDER SCHEDULING: Orders are to be scheduled for delivery within twelve (12) months from order date, unless otherwise agreed upon or negotiated. If not covered under written contract, any deliveries scheduled beyond 12 months will be subject to price escalation as determined by MSI.

6. QUALITY LEVELS: Prices are based on quality levels commensurate with normal processing. If a different quality level is required, Buyer must specify requirements and pay any additional costs that may be applicable.

7. TAXES: The prices quoted by MSI do not include sales, use, excise or other similar taxes. The Buyer shall pay, in addition to the prices quoted, the amount of any Federal, State, City, or other tax, import or export duty, tariff or customs charge levied by any jurisdiction either inside or outside the United States which is applicable to the sale of goods or performance of services by MSI or in lieu thereof the Buyer shall supply MSI with an appropriate tax exemption certificate.

8. TERMS: Unless otherwise stated, payment terms are net 30 days from date of invoice, subject to credit approval by MSI. MSI reserves the right to require payment in advance, C.O.D. or otherwise modify credit terms either prior to, or after order acceptance if, for any reason, Buyer's credit is or becomes objectionable to MSI. Pending correction of any objectionable credit situation, MSI may withhold shipments without incurring any liability to Buyer. When partial shipments are made, payments therefor shall become due in accordance with the payment terms of the invoice. A service charge of 1½% per month on the unpaid balance shall be imposed on all accounts not paid when due.

9. SHIPMENT: All shipments will be made F.O.B. the MSI factory unless otherwise specified. In the absence of specific instructions, MSI will select the carrier. Title to the material shall pass to the Buyer upon delivery by MSI to the carrier or delivery service. Buyer is also held liable for any import/export duties imposed by the carrier and customs department of the ultimate destination.

10. DELIVERY: MSI acknowledged shipping dates are approximate. If Buyer's order does not cite desired delivery date(s) and/or does not expressly prohibit delivery in advance of schedule date(s), Buyer agrees that immediate delivery is acceptable. If conditions arise which prevent compliance with delivery schedules (Force Majeure), MSI shall not be liable for any damage, general, consequential or otherwise, for delay in delivery, or for failure to give notice of delay, and such delay shall not constitute grounds for cancellation.

11. FORCE MAJEURE: MSI shall not be liable for any failure to deliver, or delay in the delivery of any goods or service due to any cause beyond its control, including but not limited to acts of God, acts of civil or military authority, fires, epidemics, floods, riots, wars, sabotage, labor disputes, governmental actions, or inability to obtain materials, labor, components, manufacturing facilities, or transportation. In the event of any such delay, the date of delivery or performance hereunder shall be extended by a period equal to the time lost by reason of such delay. In the event MSI's production is curtailed for any of the above reasons, MSI may allocate its production among its various customers in a commercially fair and reasonable manner.

12. INSPECTION AND ACCEPTANCE: Buyer must notify MSI in writing within thirty (30) days from date of shipment of any products that Buyer is rejecting, and the reason(s) why the products are being rejected. If written notification is not received by MSI within thirty (30) days of shipment, products will be deemed to have been accepted by Buyer.
